

Dear Manteca Garden Club Members,

Hope this message finds you and yours all well. Please be safe when going out as we want to see everyone when we can meet again.

In the meantime, please share your gardening posts on our Facebook and make sure to check out our website, mantecagardenclub.org for Cate's (White) Gardener's Corner and our Quarantine Garden. Pictures may be sent directly to our webmaster, Barbara Stoner, at mantecagardenclub@yahoo.com and she will post your shares. We can stay in touch!!! This message will be posted on the website too under President's Message.

Once again, I would like to thank you for virtual voting for our board positions; Treasurer and Secretary. Bev and Michele will serve until June 2022.

Your board for the next garden club season; September 2020 to June 2021.

Paula Elias – President Pat Fidler – Co Vice President Gloria Martinez – Co Vice President
--

Michele Newman – Secretary Beverly Ensley – Treasurer Pam Dias – Parliamentarium
--

Treasurer, Bev, was on top of our funds and declared even without a tour (our annual fund raiser for scholarships) that we could still award scholarships! Our scholarship chairs, Tom and Marsha Savage, reviewed the nine applications and selected two students from Sierra High, both going to UC Davis;

--Kaitlyn Rausa plans to major in biochemistry. She wants to be a pediatric anesthesiologist.

--Evelyn Alvarez plans to go to medical school. She is interested in neurobiology.

How exciting we are able to support these young people! FYI, we had no submissions from Cala this year, where we normally award \$500.

We are keeping our fingers crossed that we may meet in September. The board and I miss you and look forward to seeing you. Please send your \$25 dues into our P.O. Box as our dues keep the club going with the California Garden Club Inc, where we purchase our tour insurance. Without that insurance, we can't have a tour! Thank you for your support.

Stay well and keep gardening,
Paula
