

SUSAN BRITTING

...working to **conserve** and **protect** forests in the Sierra Nevada for over 25 years;
...environmental regulation and forest planning with the US Forest Service for 4 years;
...science and policy consultant to non-profit organizations.

As the Executive Director for **Sierra Forest Legacy**, an organization focused on forest conservation, Susan also provides technical review and advice on federal and state environmental policies, legislation and conservation practices. Susan served as a Governor-appointed member of the **CA Board of Forestry and Fire Protection** for seven years; is an active volunteer with the **California Native Plant Society** (CNPS) serving at the chapter and state level since 1993; and has also been an active volunteer and board member for a local land trust in the Sierra Nevada foothills.
