

November and December 2022

Dear Manteca Garden Club Members,

Happy Fall! It is so wonderful to have such cool weather. I hope you are having a wonderful time in your gardens planting for this weather!

It was great to see so many members attend our October craft meeting. It was a fun activity and many said they enjoyed the interaction with other club members. Let us know how your seed bombs do if you keep yours in your gardens. I gave mine to John, so maybe we will see flowers sprouting up at the golf course. Thanks again to Michele for helping me plan the activity. Our V.P.s have this year planned with speakers and activities, but if you have ideas for future years, please pass on to the Board. If you enjoy planning, we have V.P. positions opening up next season!

Did you get your yearbook? If so, mark important dates on your calendar. Pam will be handing out yearbooks at the next two meetings. All dates are also on our website!

Thanks to Linda and Alene for planning a November upcoming field trip and a festive December holiday luncheon which is on the second Monday of December! They will share information again at our next meeting.

Sandie is leading the effort to stuff bags for St. Jude's Care Home. She will be sharing more on how you can help at our next meeting.

Thank you to the rose teams for caring for our rose garden! We have our January deep pruning date set. Check your yearbook for the date and reserve it now as we need everyone's help to make it easier on everyone. Rose team sign ups start at that January rose pruning!

Remember, our next two club meetings are planned for the SECOND Monday of the month, November 14th and December 12th.

We wish you and yours a wonderful holiday season.

Paula
