

March and April 2023 – A Blue Ribbon Club

Dear Manteca Garden Club Members,

Happy Spring! Our annual garden club is almost here. Thank you to all members who have been working to have a successful tour and thank you to all members who will be working as docents, raffle and refreshment committees! Also, thanks to members Gloria and Ellen for having their lovely gardens on our tour, and to members, Pat and Linda S, who found the other homeowners willing to have their gardens on the tour.

Mark your calendar for May 11 for the pre-tour and May 13 for the tour. We ask all members to buy two tickets to sell, give away, or use the door prize coupon for themselves. We use garden tour funds for our scholarships, city beautification and more! Thank you for supporting our nonprofit.

We are also looking forward to celebrating Arbor Day, going on a field trip to Pageo Lavender Farm and installing our new board at the June luncheon. All of the information will be shared at upcoming meetings and it should be in your yearbook too.

We are so lucky to have an almost new board for our garden club! Thank you to Michele, Chris S., Joy, Kathy and Linda for serving on the board. Bev, our treasurer, will continue on one more year. When we all take a turn, it makes it easier on everyone!

Thanks to everyone who has served as a chairperson this past season. We will be asking for members to fill up spots as we move into the summer.

Hope you enjoy the sun these few days! Spring is here!

Paula

Our website is the best source for updates this year! We hope to see you at our next meeting.
