Club History

The Manteca Garden Club was formed in 1953 and incorporated in 1962 as a non-profit organization dedicated to the education of its members and society about gardening and conservation principles, and the continuous expansion of our membership.

We are affiliated and hold membership with the National Garden Clubs, Inc., Pacific Region Garden Clubs, Inc., California Garden Clubs, Inc., and an active participant in the Valley Lode District organization which includes the counties of Alpine, Amador, Calaveras, Mono, San Joaquin, Stanislaus, and Tuolumne.

Our mission and goals have remained constant over the past 50 years.

Club Mission Statement

Our mission is to further the education of its members and the public in areas of gardening, horticulture, botany, landscape design, conservation of natural resources, civic beautification, garden therapy, and sound ecological practices.

Club Objectives

To promote an interest in gardening
To encourage civic beautification of Manteca
To stimulate knowledge of horticulture
To protect and preserve native trees and shrubs.

Annual Club Projects & Activities

Our non-profit organization is involved in many annual civic beautification projects for the City of Manteca as well as promoting local, state and national projects.

Example of Club Projects

City of Manteca Civic Beautification

We work to provide tree and flower planting throughout the city and landscape at Library Park.

Manteca Senior Center Memorial Rose Garden

Our club plants and tends to the beautiful rose garden established over 25 years ago.

Annual Garden Tour Fundraiser

Residents open their gardens to the public supporting our club's primary annual fundraiser.

Arbor Day Tree Planting

In partnership with the city, we annually plant trees around Manteca.

Penny Pines Plantation

During monthly meetings and events, we ask for donations to be used for reforestation of state and national forests.

Manteca USD Scholarship Program

With funds from the garden tour, we award scholarships to a local high school graduates with a focus to those interested in the study of horticulture, agriculture or public service.

Join the Manteca Garden Club

The Manteca Garden Club welcomes you as an active participant.
